DEMONSTRATION ONLY - NOT VALID

IN-HOUSE ANALYTICAL

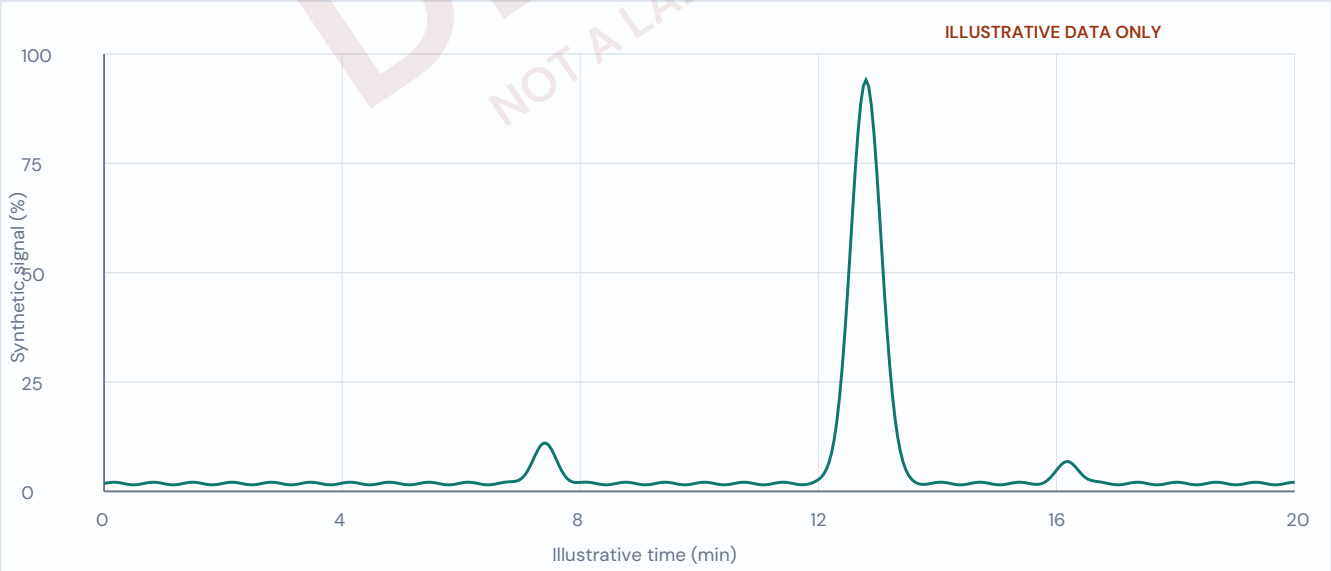

DEMONSTRATION REPORT

Artificial chromatographic data for interface review. No physical sample was analysed and no product identity or purity is established.

Record	DEMO-LOT-0001 / ARTIFICIAL DATA
Sample description	No physical sample
Method status	Not a validated analytical method

DEMO
NOT A LAB REPORT

SYNTHETIC HPLC TRACE

Interpretation: illustration only. Peak positions, intensities and shapes were generated mathematically. There is no reported purity, pass/fail decision or release approval.
